You can choose to enable or disable Cookies in your internet browser. By default, most internet browsers accept Cookies but this can be changed. For further details please look at the menu on your browser.

4. Other websites

Maths Memory may provide links to other websites. We have no control over such websites. This private policy does not extend to use of such websites. You are advised to read the private policy of other websites prior to using them.

5. Security

Data security is important to us at Maths Memory. We have put in place suitable electronic procedures to safeguard and secure data collected via this website.

You are responsible for keeping your username and password confidential.

When you enter sensitive information (such as a credit card number) on third party forms, PayPal encrypt the transmission of that information using secure socket layer technology (SSL).

6. Your Rights

You have the right to access personal information we hold about you and to ask that your personal information be corrected, updated, or deleted. If you would like to exercise this right, please contact us through our email at: contact@mathsmemory.co.uk

7. Changes to this private policy

Maths Memory reserve the right to change this private policy as we may deem necessary from time to time or as may be required by law.

You may contact Maths Memory regarding this via our email.

8. Changes to this Private Policy

Maths Memory reserve the right to change this private policy as we may deem necessary from time to time or as we may be required by law. You may contact us via email.
