

Inequality Regions

Week 11

Lesson Time : 20 - 25 Minutes

Course : Higher

Grade : 6

Back to Basics

Core

Let's Do It!

GCSE Revision Video 51

- **Prior Checklist:** A pack of A5/A6 revision cards.

A pen.

- **Our Video Structure:**

Back to Basics: Quick re-cap.

Core: *Create* your own revision cards with exam style questions.

Let's Do It!: *Apply* your revision cards to another set of exam style questions.

Instructions: **Print out** this worksheet and watch the revision video simultaneously.

'Pause and Play' the video unlimited times to review your work and write the answers in the blank spaces. Once you have written your answers, check these with the tutorial answers, as explained in the video.

Create your OWN revision cards when prompted on the worksheet (Back to Basic and Core sections).

Apply your OWN revision cards (Let's Do It! section).

Self Assess yourself (Out of 10) on your revision planner after you have completed the revision video.

WATCH this revision video and **MANY** others on our **FULL** courses at www.mathsmemory.co.uk

Let's get started and create our Master revision card with this suggested template.

Maths Memory

Learn:

- Plot 3 types of Equations
- Double 'Zero' Method

Topic: Inequality Regions

Date/week: _____

Example(s):

Step 3

Step 2

Step 1

GRADE

6

Back to Basics- Starter questions to warm you up

Back to Basics

Topic: Inequality Regions

Question 1

Plot these lines on the grid

a) $y = x$

b) $y = -x$

c) $x = 2$

d) $y = -3$

Question 2

Plot these equations on the grid

a) $y = 2x + 1$

b) $y = -2x + 3$

c) $y = 3x$

Question 3

Plot these equations on the grid

a) $x + y = 5$

b) $3x + 2y = 6$

Let's get our revision card and create Section A. Look at video for guidance.

A green rectangular template for a revision card. At the top left is the Maths Emory logo. At the top center is the text "My Tool Kit". At the top left, below the logo, is the text "Topic:". At the top right is the text "Grade:". In the top left corner of the main content area is a circled letter "A". The rest of the area is blank for writing.

Let's get our revision card and create Section B. Look at video for guidance.

A green rectangular template for a revision card, identical to the one above but with a circled letter "B" in the top left corner of the main content area.

Core- Create your revision cards with these exam style questions

Core 1

Topic: Inequality Regions

Question 1

On the grid, shade the region that satisfies all the following inequalities.

$$y > 1$$

$$x + y < 6$$

$$y < 2x$$

Grade

6 (3 Marks)

Question 2

On the grid, shade the region that satisfies all the following inequalities.

$2x + y > 6$

$y < \frac{1}{3}x$

$3 < x < 4$

Grade

6 (3 Marks)

Let's Do It! - Apply your revision cards to another set of exam style questions

Question 1

On the grid, shade the region that satisfies all the following inequalities.

$2x + 4y > 8$

$y < 2x - 1$

$y > -1$

Grade

6 (3 Marks)

Congratulations. You have completed this topic.

Now go back to your revision planner and rate yourself out of 10.
