Let's Do It!

## GCSE Revision Video 21

- **Prior Checklist:** A pack of A5/A6 revision cards.

A pen.

- **Our Video Structure:**

**Back to Basics:** Quick re-cap.

**Core:** *Create* your own revision cards with exam style questions.

**Let's Do It! :** *Apply* your revision cards to another

**Instructions:** Print out this worksheet and watch the revision video simultaneously.

**Pause and Play** the video unlimited times to review your work and write the answers in the blank spaces. Once you have written your answers, check these with the tutorial answers, as explained in the video.

**Create** your OWN revision cards when prompted on the worksheet( Back to Basic and Core sections).

**Apply** your OWN revision cards ( Let's Do It! section).

**Self Assess** yourself ( Out of 10) on your revision planner after you have completed the revision video.

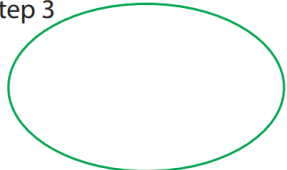

**WATCH this revision video and MANY others on our FULL courses at [www.mathsmemory.co.uk](http://www.mathsmemory.co.uk)**

Let's get started and create our Master revision card with this suggested template

**Core-** Create your revision cards with these exam style questions

**Core 1**

**Topic: Exchange Rates**

**Question 1**

a) Massimo is on holiday in Thailand.

**The exchange rate is £1 = 38.25 Thai Bahts.**

He set a budget of £3000 for the entire holiday.

He spent 32,000 Thai Bahts on flights.

He spent 45,000 Thai Bahts on accommodation.

How much spending money, in Thai Bahts, will Massimo have left to spend?  
( assuming full budget )

## Question 2

Nicole is travelling to the USA.  
She has £250 in the UK.

**The exchange rate is £1 = \$1.41**

a) How many dollars can she exchange in London?

b) On her return she has \$48 left. How many pounds could she get from this amount?  
( Assume same exchange rate as above )

c) If the Dollar strengthened on Nicoles return, what effect would this have on the amount that Nicole could exchange back in to pounds?

**Let's get our revision card and create Section A. Look at video for guidance.**

## Question 3

a) Niall is travelling to Brazil.

He has a budget of £4000 in the UK.

**The exchange rate is £1 = 6.15 Brazilian Reals**

Niall spends 7,200 Brazilian Reals on flights.

He spends 10 days in Brazil and 400 Brazilian Reals per day on accommodation.

He spends 1200 Brazilian Reals per day on entertainment.

He wants to know if he has any extra cash remaining, to spend on excursions.

Niall says ' My surplus means I can book excursions worth at least £250 '

Is Niall correct ? Justify your answer.
